____ NFA Transfer Fee is an initial \$100.00 and \$20.00 for each additional NFA item in the same transaction. I have read and understand the Surplus Ammo & Arms LLC NFA Transfer Policy.

____ Washington State requires licensed dealers to collect Washington State Use Tax for all goods imported into the state. Current tax rate is 10.2%. You as the customer must provide a copy of the invoice or receipt stating the cost of the NFA item being transferred. In the event that an Invoice is not available an employee will determine fair market value and tax will be collected based on that amount.

____ Receiving and Processing of the NFA item may take up to two business days (Monday- Friday) after it is delivered. Once processing is complete an employee will notify you that the NFA item is ready for further processing.

____ I understand and acknowledge the law as it relates to the interstate transfer of NFA items.
